

Major and Minor Scales

Group 1 Scales: Same fingering, starting from a white key

Part 1

Right Hand Fingering

C Major

Left Hand Fingering

G Major

D Major

A Major

E Major

Harmonic minor scales. See how the 3rd and 6th step in the scale are lowered compared to the major scales. The other notes stay the same. For **Natural** minor lower also the 7th step, For **Melodic** minor, lower the 3rd only ascending the scale, and lower both the 7th, 6th and 3rd when descending.

C Minor

G Minor

D Minor
