

Major and Minor Scales

Part 3

Scales starting on a black key. The fingering used for the left hand in Bb major is used very often. You could learn this first!

Bb Major

Bb Minor

Right hand same fingering as in major.

Eb Major

Eb Minor

Right hand same fingering as in major.

Ab Major

Both hands have same fingering as in major. (Ab minor is here written as G#minor, since it has fewer accidentals- but they are enharmonic)

G# Minor

C# Major

C# Minor

Left hand same fingering as in major.
